

Brant Tucker

Client Management Associate

Raleigh, NC

Bio:

I graduated from Florida State University in 2022. Shortly after I joined CAPTRUST which was my introduction to the financial services industry. This is also how I found my way to living in North Carolina and thoroughly enjoy the seasons that Florida was lacking.

- **My favorite thing about CAPTRUST:** Everyone is very friendly and sincere. Anyone can say they care, but those around you will prove it with their actions.
- **Hobbies and Interests:** I enjoy being active outdoors, specifically playing soccer and snowboarding.
- **Bucket List:** To go snowboarding in the French Alps and do the Alpe d'Huez tunnel run.
- **Words to live by:** "Never be afraid to try new things, and make some mistakes, it's all part of life and learning."
