

# DELETING VOICEMAILS

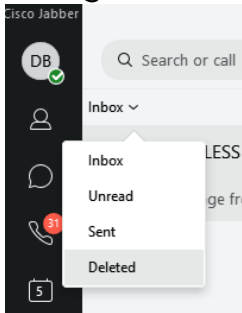

## HOW TO PERMANENTLY DELETE VOICEMAILS

Please look at Jabber and click on the voicemail button

Group-select (hold down shift key and select with mouse) all voicemails, right-click, and select delete.

Click the “Inbox” drop-down menu at the top of the voicemails section and change the view to “Deleted.”

Again, group-select the emails you want to delete, right-click, and select “delete permanently.”
