

UPDATED OCIO Discretionary Strategy Dashboard

French, JJ
Associate

We are excited to announce the transition to our updated OCIO Discretionary Strategy Dashboard, which leverages data from CAPConnect to provide a dynamic view of our OCIO models. Use the dashboard for important information on the models, including the following:

- Strategic & Tactical Asset Class Targets
- Up-to-date Model Holdings
- Model Benchmarks
- Expense Ratios
- Performance Metrics
- Manager Commentary
- Link to all other OCIO materials

Please view the updated dashboard [here](#) or via the Defined Benefit or Endowments and Foundations intranet pages.
