Bio:

I like to be able to tell people that I graduated from Harvard. They are always impressed until I then tell them it was Harvard High School in southern Nebraska - oh well. I graduated from Midland Lutheran College in Fremont, Nebraska and have worked in the financial industry for 27 years. Our office in Omaha joined CAPTRUST with the acquisition of Frontier Wealth Management in 2022.

- **Hometown:** Harvard, NE
- **Family:** My husband Greg and I have three college-aged sons. I sometimes miss having them around, but mostly enjoy our clean, empty nest.
- **My favorite thing about CAPTRUST:** The people. It's been less than a year since we've joined CAPTRUST, but everyone is helpful and personable.
- **Hobbies/interests:** Travel, reading, yoga, movies, music. I also love the Omaha Town Hall Lecture Series.
- **Interesting places travelled or visited:** We were "cruisers" before the pandemic and are ready to get back on the boat! We like Florida, the Caribbean, Mexico, and Belize. I've also toured Hungary, Austria, the Czech Republic, Wales, and my all-time favorite - Ireland.
- **Bucket list:** Italy and Greece
- **Random fun fact:** For the past two years, I have been on the Macy's Thanksgiving Day Parade Test Flight Crew - which means that I am a volunteer balloon-wrangler when the new top-secret parade entries are first inflated and run through different scenarios.
