

Have You Benchmarked Your Retirement Plan?

401(k) Advisors can help.

> *Why do I need to benchmark my plan?*

Plan fiduciaries are responsible under ERISA for making sure plan fees are competitive. To avoid costly litigation, a periodic benchmark review is strongly recommended.

> *How can 401(k) Advisors assist me with this task?*

Our proprietary B3 Provider Analysis™ benchmarks your plan's fees, services, and investments alongside live bids to reveal how your plan measures against the marketplace.

> *What do I gain through this process?*

The documentation we deliver will help reduce your exposure to fiduciary liability while ensuring competitive fees, services, and investment opportunities.

401(k) Advisors is the market leader by the number of RFP/Vendor Searches conducted on an annual basis*. Our team of dedicated specialists have helped hundreds of plan sponsors to increase the value of their plan while minimizing risk and guiding participants toward greater financial security.
