Bio:

I started at CAPTRUST in September of 2021 and have loved every minute of my career here! I have worked in other Client Service and Accounting roles but this is my first job in the Wealth Finance Industry.

- **Hometown:** Durham, NC
- **My favorite thing about CAPTRUST:** I love the culture and the way everyone collaborates together. I learn something new each day.
- **Hobbies/interests:** I enjoy walking my Boston Terrier, Bucky, around Lake Lynn, spending time with family at Falls Lake, and going to local breweries on weekends.
