Bio:

I was born and raised in NC and have spent the majority of my career at CAPTRUST. I love nothing more than spending time with my husband, now-grown son, and close friends, often in the NC Mountains. My favorite pastimes include enjoying live music, movies, and cooking.

- **Education:** Appalachian State University (BSBA), Wake Forest University (MBA)
- **My favorite thing about CAPTRUST:** Our wealth team is truly the best, hardest working, and most fun team. I love working with them all!
- **Interesting places travelled:** Most of the 50 states and Ireland (which I would make an annual trip if I could)
- **Favorite snack:** Pizza
- **Bucket list:** See one of my favorite bands at Red Rocks.
- **Qualities I admire in people:** Compassion and kindness.
- **Words to live by:** Do unto other as you would have them do unto you.
