Bio:

I was raised in San Diego and moved to Sacramento in my freshman year of HS. Needless to say, I am still a beach girl! I started my financial career at Franklin Templeton over 30 years ago in their back office. I started with GBB in 2017 and GBB was acquired by CAPTRUST in January 2021! The rest is history! I have 4 kids; 6 grandkids and I love the outdoors. Hiking, snow shoeing, scuba diving!

- **My favorite thing about CAPTRUST:** Comradery with my CAPTRUST peers!
- **Interesting places travelled or visited:** Honduras to scuba dive!
- **Favorite book or movie:** The Notebook
- **Favorite snack:** Licorice and popcorn
- **Bucket list:** Scuba diving in the Seychelles in the Indian Ocean off the coast of East Africa..
- **Words to live by:** Every day is a gift!
- **Qualities I admire in people:** Positivity and a giving spirit.
- **Fun Fact:** I was a high school gymnast.
