

Alex Thompson

Senior Client Management Associate

Raleigh, NC

Bio:

I grew up in Durham, NC and have spent my whole life in North Carolina - aside from my time at Furman University in South Carolina. Upon graduating, I worked in the non-profit/ministry space for 3 and a half years, before joining CAPTRUST in January of 2021. I currently live in Raleigh with my wife Sallie and our golden retriever named Woody! I am an avid UNC sports fan, and love playing golf and pick-up basketball.

- **My favorite thing about CAPTRUST:** The "culture of ownership", and everyone continuing to help make a growing company still feel small and like a family.
- **Favorite snack:** Cheez-its
- **Bucket list:** Going to the Masters golf tournament.
- **Words to live by:** "It's amazing how much a team can accomplish when nobody cares who gets the credit."
