The CRG intra-quarter Market Update is now available through the [On Demand portal](#) and App. This podcast, recorded on 9/5/2018 and hosted by Kevin Barry, Brent Hartman, and Mark Paccione of CRG, provides a quick recap of the quarter-to-date, some topics/themes the Investment Committee has been following, and an update on portfolio performance. Topics discussed include the state of global growth and emerging markets, trade tensions, and the interest rate/yield curve environment.

Please contact Sam Kirby (or any member of CRG) with questions, or suggested topics for future calls.
