## Akron, OH | DOH: May 2019

Megan was born in Akron, OH. She attended Mount Union College in Alliance, OH where she majored in Economics and Art. She lives with her dog, Reggie, a rott/pitt mix who is 75 pounds of pure love. Megan loves to travel and some of her most memorable trips include swimming with sharks in Hawaii, manatees in Florida, ziplining with her nephew in Tennessee, snorkeling in Greece, and crying on the way up the Eiffel Tower because she is slightly afraid of heights and pulley systems pulling her up those heights.

### Favorite TV Show

This might make me corny but Impractical Jokers is the one show I have on all the time in the background – it's always good for a dumb laugh.
