Atlanta, GA | DOH: March 2019

I grew up in Winston Salem, NC and went to school at Furman University in Greenville, SC where I majored in econ and played on the golf team. I've been in Atlanta now since 2015 so I'm slowly making my way down I 85. Our group was acquired by CAPTRUST in 2019 and later that year I got married to my wife, Aubrie. We love playing golf together, taking our Bernedoodle named Bruce on long walks and going on the occasional ski trip.
