

Tess Samperi

Senior Team Leader

Boston, MA

Bio:

I am originally from Kettering, Ohio and moved with my family to York, Maine in 1983. I have been in the financial services industry for almost 20 years and joined CAPTRUST in 2019. I live in Beverly, MA with my husband and we have four children.

- **My favorite thing about CAPTRUST:** Being able to collaborate with other employees from all over the country using Microsoft Teams
- **Favorite book or movie:** "Somewhere in Time" starring Christopher Reeve and Jane Seymour (I visited the Grand Hotel as a child)
- **Bucket list:** Take a cross-country trip with my husband to see the Grand Canyon and find our family roots in Ireland and Italy. As you can see from my photos, we have visited the Berkshires, Franconia, NH, and a winery in NY!
- Qualities I admire in people: Empathy, kindness, honesty, charity
