Bio:

I am a northern California native, studied at UC Davis, and entered the Cruise industry in Reservations and Sales. After 18 years, I joined my father at Northwestern Mutual and worked for and with him for 15+ years in all capacities (insurance and investments) including as a Financial Advisor. I joined CAPTRUST San Ramon in Dec. 2020 during COVID, as a Client Management Consultant. I've been married 30 years and have 3 amazing adult kids.
