Hobbies/Interests

I love to cook (when I'm not rushed) and I especially enjoy hosting dinner parties, brunch, or even a fun happy hour. Italian and Mexican foods/drinks are my favorite. Who doesn't love a good margarita? I love spending time with my family – I'm fortunate to have lots of family close by in the Raleigh area. I also enjoy going to the beach, taking my pups on long walks on the greenway trails, doing hot yoga, and trying to chase my PRs on the Peloton. I also love a good stroll around Target.
