Senior Client Management Consultant

Kansas City, MO

Bio:

I have been in the financial services industry for 32 years - 23 on the wealth management side and the last 10 on the institutional side. I attended Central Missouri State University. I recently just joined CAPTRUST two weeks ago! Very excited to be here and look forward to a new beginning! I am married and as our two-legged kids are grown (2 boys), we have 5 rescued puppies ages 1 to 8 years in the home!

- **Hometown:** Kansas City
- **Favorite thing about CAPTRUST:** So far, the PEOPLE! Everyone has been great, warm, welcoming and eager to assistance!
- **Hobbies:** We support my charitable organizations around KC especially one focused on animal rescue.
- **Interesting places travelled or visited:** Ireland was the favorite so far!
- **Favorite book/movie:** Message in a Bottle
- **Bucket List:** Buying 100 acres and rescuing all the puppies (dogs) for the shelters to have the love of a family and get to enjoy life!
- **Words to live by:** RAOK - random acts of kindness.
- **Qualities I admire in people:** Honestly and believing in yourself
- **Random fun fact:** We have over 500 lbs of four-legged kids in our home currently (5 of them - all BIG) Best thing in the world!
