Bio:

I attended the University of Missouri - Columbia and graduated with a bachelor's degree in business management. Previously, I worked for Cambridge Investment Research an independent broker-dealer and RIA based out of Southeastern Iowa. I am married to my husband, Eli, and we have two Welsh Terrier dogs named Natalie and Maisel.

- **Hometown:** LaGrange, Missouri
- **Favorite thing about CAPTRUST:** The culture and people are second to none. I instantly felt welcomed and part of a continually evolving organization.
- **Hobbies/interests:** Traveling to all of the National Parks, reading, spending time with my nephews, being outdoors, the Chicago Bears, and spending time with family.
- **Interesting places travelled or visited:** Maui is high on my favorite destinations. We also had an interesting bear encounter in Grand Teton National Park that will remain a core memory.
- **Favorite book or movie:** Favorite book: Richest Man in Babylon; Favorite movie: Forrest Gump
- **Bucket list:** Visit all of the National Parks in the US; Attend the Kentucky Derby; spend time traveling abroad; see the Chicago Bears in the Super Bowl!
