## Client Management Consultant

Boston, MA

### Bio:

I joined CAPTRUST February 2023 as Client Management Consultant. Prior to joining CAPTRUST I was working as Wealth Management Client Associate at Merrill Lynch. My home country is Albania and I lived there until 2019. When I moved to US, among other things, I also changed my career, as I had attended the University of Architecture and Urbanism and I am now into the financial career path. Both me and my husband live in Boston, and we love it.

- **Favorite thing about CAPTRUST:** The culture
- **Favorite book or movie:** The Novels of Stefan Zweig, A Little Life-Hanya Yanagihara, The Unbearable Lightness of Being-Milan Kundera
- **Words to live by:** It all begins and ends in your mind. What you give power to, has power over you.
- **Qualities I admire in people:** Gratitude, Kindness and Confidence
- **Random fun fact:** Albania is the country with the most coffee shops in the world per capita. ☕
