

Managing through uncertainty: We are here to help.

During this time of uncertainty, we know your priority is the safety and health of your employees, yourself and your loved ones. Our commitment to you is to continue to help you and your employees stay informed, manage your accounts, and get the support and guidance needed.

We are continuing to monitor progress of the coronavirus relief legislation and will update you as developments unfold.

[This email was sent today](#) to make sure your employees know that we are available - whenever and wherever they are. Resources include: **virtual meetings with financial advisors, online/mobile app account management, and digital education and resources.** We will continue to email important information to all employees with an email address on file.

Additional resources for you.

Important Webinar: In an effort to bring some stability and understanding to these uncertain times, we will be hosting a webinar "**Coping, Control & Crisis: Understanding How People Behave In Times of Uncertainty**" featuring Joseph Coughlin, PhD. You can [follow him on Forbes](#) and on Twitter [@josephcoughlin](#).

Join us Thursday, April 2 at 2 p.m. ET
