

Ben Sroka | Senior Client Management Consultant

Raleigh, NC | September 2018:

I was born in Pittsburgh, PA and raised in Poughkeepsie, NY. Moved to NC when my father transferred roles at IBM.

Most of my financial career has been spent at Fidelity Investments holding a variety of roles prior to joining CAPTRUST.

I am married with three children and reside in Raleigh.

I support Paul Owen in Alabama and I love every minute spent working at CAPTRUST.
