

Cori Wahlin

Client Management Consultant

Salt Lake City, UT

Bio:

I earned a BA of Mathematics with and emphasis in Statistics from the University of Utah. I worked in Operations for Goldman Sachs for 14 years prior to joining CAPTRUST. I do work in an acquired office, but was hired a few years after the fact. I'm married with one son and one German Shepherd, and we're looking forward to welcoming a foreign exchange student for the next school year.

- **Hobbies/interests:** I like my alone time, so I tend to read or work on puzzles during down time.
- **Interesting places travelled or visited:** My SIL used to work for a travel agency, so we've been on many cruises over the years. My favorite by far was Alaska. It was beautiful, we got so close to glaciers, and we took a river tour around Grizzly Island where we saw multiple bears.
- **Favorite book or movie:** My favorite book is A Tale of Two Cities. I pick it up to read again every couple of years.
- **Favorite snack:** My favorite snack is Oatmeal Scotchies. For those of you who don't know what that is, pick up a package of Nestle Butterscotch Morsels and follow the recipe on the back of the package. Yum!
