SCREENING QUESTIONS TO CONSIDER	
	ontinues to evolve quickly. We are screening all employees for potential risks of
COVID-19 to ensure the health and safety of everyone. 1. Do you have any of the following symptoms: fever/feverish, chills, dry cough, difficulty breathing, or digestive symptoms such as diarrhea, vomiting, and abdominal pain? Yes No	2.Have you traveled within the last 14 days? Yes No 3.Have you had close contact with a confirmed/probable COVID-19 case? No
HOW TO RESPOND	
 If the individual answers NO to all questions, they have p If the individual answers YES to any screening questions others and contact a supervisor for assistance. 	passed the screening and can begin working. s, or refuses to answer, they failed the screening. Keep the employee away from
MESSAGES YOU CAN USE TO PREVENT SPREAD OF VIR	USES AND STAY HEALTHY
Practice these healthy habits to prevent the spread of vir	ruses:

- Wash your hands with soap and warm water for 20 seconds. If unavailable, use an alcohol-based hand sanitizer with at least 60% alcohol.
- · Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your nose and mouth with a tissue when you cough or sneeze, or cough/sneeze in your upper sleeve.
- Immediately throw away used tissues in the trash, then wash hands.
- · Clean and disinfect frequently touched surfaces, such as doorknobs, handles, light switches, tables, toilets, faucets, sinks and cell phones.
- Avoid touching common surfaces in public places elevator buttons, door handles, handrails, etc. Use elbows or knuckles to push buttons when you do not have a tissue or sleeve to cover your hand or finger.
- Make sure others in your household, or anyone you are regularly in close contact with, follow these precautions.
